ALLIES PLACE ORDERS  
FOR SLEIGHS WITH CHICAGO

[Associated Press by Federal Wire-ss]  
CHICAGO, Ill., Dec. 6.—The Yankee  
sleigh has become a necessity in the  
European war and 30,000 have been  
ordered from local carriage makers  
by the British and French govern-  
ments. The sleighs are to be used for  
the transportation of supplies in the  
snow covered districts of the fields of  
operation this winter.

## SLAV ARMORED AUTOS IN DEADLY CHARGE

PETROGRAD, Russia, Dec. 6.—An  
official statement of the situation in  
Poland, issued last night, says that  
the battle generally is going in favor  
of the Russians, who are taking many  
prisoners and inflicting enormous  
losses upon the Austro-German invad-  
ers.

On Friday night a column of Ger-  
man infantry, which was on the march  
between Pobjance and Lask, west of  
Lodz, was charged into by a number  
of Russian armored automobiles,  
armed with machine guns. The auto-  
mobiles were close to the marching  
column before they were observed,  
and they tore through the front ranks  
without resistance, killing and maim-  
ing hundreds.

When the advance of the heavy ma-  
chines was blocked with bodies, the  
machine guns were turned loose at  
only a few yards range, the Germans  
being utterly unable to stand and face  
the awful carnage. The column was  
completely broken up and dispersed,  
leaving hundreds of dead and wound-  
ed where they fell.

## MAKING GERMAN TAKEN PRISONERS

A despatch received here yesterday  
from Minsk, on one of the main rail-  
road lines from Warsaw, says that an  
endless stream of Austrian and Ger-  
man prisoners has been passing  
through that city for the past sev-  
eral days, being taken to the concen-  
tration camps in the interior.

## ITALIAN PARLIAMENT BACKS UP GOVERNMENT

LONDON, Eng., Dec. 6.—A despatch  
from Rome says that the government  
is receiving the solid backing of par-  
liament, a vote of confidence yester-  
day being passed by 413 to 49.

## SERBIAN MINISTRY QUILTS

Less fortunate has been the Serbian  
ministry, which yesterday, in the face  
of a vote of censure, resigned.

## KING GEORGE HONORS BELGIANS' KING

LONDON, Eng., Dec. 6.—King  
George has returned from France, and  
there are countless rumors of great  
things developing along the Allied  
front in both France and Belgium, but  
nothing whatever concerning the pro-  
gress made is being given out at the  
official press-bureau or the war office.  
A despatch to the Times from Flan-  
ders says that King George, while  
with King Albert at the front, con-  
ferred upon the Belgian monarch the  
decoration of the Order of the Garter.

## RUSSIANS INVADE PERSIAN TERRITORY

That the Russians have been com-  
pelled to invade Persian territory in  
order to reach the Turkish force,  
which had withdrawn there and which  
Persia could not intern through lack  
of ability to enforce her orders, is the  
news which comes officially from the  
headquarters of the Russians in the  
Caucasus.

The report says that the Russians  
entered Persia on December 2, cap-  
turing the Turkish positions at Zari  
and Keohkal and driving the Turks  
back out of Persia towards Van, Ar-  
menia. The retreating Turks left  
large quantities of supplies, provisions  
and munitions, which fell into the  
Russian hands.

The display of activity at Hawaii's  
volcanoes is predicted will result in  
increased passenger travel between  
Honolulu and Hilo. The Mauna Kea  
to depart for the Big Island on next  
Wednesday morning is expected to  
carry a delegation of mainland tour-  
ists.

## Fort Shafter Notes

[Special Star-Bulletin Correspondence]  
FORT SHAFTER, Dec. 7.—The re-  
cent rains have rendered the roads  
in the cantonment impassable ex-  
cept for light wagons with strong  
teams. The roads in the vicinity of  
the officers' quarters had been nicely  
graded by the engineers and were be-  
ing metalled as rapidly as possible in  
anticipation of a change of weather,  
but all work was stopped and teams  
and stone labor were transferred to do  
emergency work at the department  
hospital. The roads are a sea of  
mud, impossible for automobile traf-  
fic, and the supply wagons, such as  
milk wagons, ice wagons and vegeta-  
ble peddlers can not get close enough  
to the quarters of officers and their  
families to conveniently deliver as  
several wagons have been stuck up  
to the hub in the mud.

Since the opening up of a new vol-  
cano on Hawaii companies are begin-  
ning to make preparations to make a  
trip to Hawaii to see the sights before  
the field training period opens up.  
The first of the organizations to go  
over will probably be Company E, 2d  
Infantry, if suitable arrangements can  
be made to visit the two volcanoes  
without making an extended practise  
march out of it. Some of the com-  
panies returning from Hawaii last year  
vowed never again, and discouraged  
other companies that had made all  
arrangements to go by relating the  
hard experiences of the trip up to the  
volcano and back. If the companies  
can make arrangements to travel com-  
fortably and can take over enough  
camp equipment to shelter them with-  
out great expense a great many will  
go before spring.

Arrangements had been made to ex-  
hibit the pictures of the Ritchie-Riv-  
ers fight at the 2d Infantry moving  
picture house last night, but as there  
was some question as to whether or  
not it was strictly in keeping with the  
law the authorities called it off and  
notified the organization in the after-  
noon. It appears that the importer  
of the pictures had visited the office  
of the district attorney and received  
rather a vague decision as to the le-  
gality of showing these films. In view  
of this the military authorities de-  
cided it wise to be on the safe side. A  
great many were disappointed, but a  
good program was given in lieu of the  
fight pictures.

The vacancy in the list of 2d lieutenants caused by the promotion of  
Lieut. Barker has been filled by the  
transfer of Lieut. Frank A. Sloan  
from the 11th Infantry to the 2d.  
Lieut. Sloan and family will join on  
the arrival of the next transport from  
San Francisco and will occupy quar-  
ters in the cantonment.

Lieut. Cleveland C. Geo, Corps of  
Engineers, has been ordered to pro-  
ceed by the next transport to San  
Francisco to report to the president of  
the examining board to determine his  
fitness for promotion to the grade of  
captain.

Work on the department hospital  
additions is being rushed along and  
it is expected that the greater part  
of the building will be completed by  
the end of the year. The new operat-  
ing room and surgical ward adjoining  
are practically complete except the  
wiring.

Lieut. John B. Richardson, recently  
transferred to the 2d Infantry from  
the 21st, will join on the transport due  
Dec. 13.

## CHILDREN BADLY BURNED THROUGH PLAYING WITH A JARFUL OF POWDER

The lives of two Chinese children, a  
boy and a girl, were probably saved  
through the timely act of Manuel  
Smith, mounted police officer.  
Ah Kim and Ah How, son and daugh-  
ter of a Chinese vegetable gardener  
on King street, near the intersection  
of Pihoi street, left alone in the house  
yesterday while the father was at  
work in the field, found a quantity  
of powder in a glass jar and with the  
assistance of matches they produced  
an explosion that seared their faces,  
arms and body, causing many painful  
burns.

The attention of the parents were  
called to the dreadful plight of the  
children. An old wagon was produced,  
in which the terribly burned children  
were placed, it being the intention  
of the Chinese to take them to a native  
herb doctor.

Officer Smith passed the wagon  
bearing the injured children, who had  
been carefully covered with straw.  
His attention was arrested by the  
sound of moaning and sobbing. He  
halted the vehicle and, realizing the  
seriousness of the case, ordered the  
children removed to the hospital for  
immediate treatment.

Officers will be elected and other  
matters of business taken up at a  
meeting at 7:30 o'clock this evening  
of the members of Hawaiian Lodge  
No. 21, F. and A. M.
